MEMORANDUM FOR:	Acting Deputy Director	for Intelligence
-----------------	------------------------	------------------

SUBJECT : Mandatory Declassification Request

1. The Dwight D. Eisenhower Library has requested the
declassification review of two CIA documents, plus a covering
etter, found among the papers of at the
Library. Inasmuch as the letter was signed by Robert Amory.
he then Deputy Director for Intelligence, the documents are
being forwarded to your Directorate for examination and recom-
mendations. The two-page document, however, on cursory
examination would appear to be non-DDI in origin and possibly
product of If it can be determined that its authorshi
vas not DDI, please return it promptly to this office for further
processing.

- 2. In your review, primary attention should be focused on the protection of sources and methods and classified material received from foreign liaison sources. In those instances where it is feared that the disclosure of information might have an adverse effect on the conduct of U. S. foreign relations, which may be the case with these two documents, the customary Agency practice is to forward the documents to the Department of State for clearance prior to any declassification action.
- 3. Upon the completion of the review of the documents and the accompanying letter, please return them to this office along with your recommendations. The options include declassification, downgrading to Confidential, or retaining the current Secret classification. It is sometimes feasible to produce an unclassified version of an otherwise classified document by excising limited

portions of the text. The question of executive privilege can be resolved by the Eisenhower Library. If the documents must remain classified, specify the appropriate exemption categories to cite.

4. A Form 3533 is also enclosed. It is being utilized to compile data on total Agency resources being expended on the records declassification program. Please return it to this office when completed.
